E x p e r i e n c e i n L i g h t i n g

Horoz Electric has succeeded to be one of the outstanding brands in lighting industry since 2007. It considers the quality as an indispensable part in every stage of the production. All items are produced in accordance with the international standards and all of them have certificates of **EU-CE, EAC, LVD, EMC and ROHS**. Bearing the ideas to always renew itself in accordance with the changing world standards and market values, and to climb to the top, **Horoz Electric** realizes all of its investments by using its own resources. The company utilizes the technology at a maximum degree in all processes from design to shipment.

Horoz Electric a réussi à être l'une des marques les plus remarquables de l'industrie de l'éclairage depuis 2007. Elle considère la qualité comme un élément indispensable à chaque étape de la production. Tous les articles sont fabriqués conformément aux normes internationales et tous ont des certificats de l'**UE-CE, EAC, LVD, EMC et ROHS**. Portant les idées pour toujours se renouveler en fonction de l'évolution des normes mondiales, des valeurs du marché et pour grimper au sommet, **Horoz Electric** réalise tous ses investissements en utilisant ses propres ressources. La société utilise la technologie au maximum dans tous les processus, de la conception à l'expédition.

Horoz Electric is sinds 2007 een van de beste merken in verlichtingsindustrie. Zij beschouwt de kwaliteit als een onmisbaar onderdeel in elke fase van de productie. Alle items worden geproduceerd in overeenstemming met de internationale normen en ze hebben allemaal certificaten van **EU-CE, EAC, LVD, EMC en ROHS**. Met de ideeën om zichzelf altijd te vernieuwen in overeenstemming met de veranderende wereldstandaarden en marktwaarden. Om naar de top te klimmen, realiseert **Horoz Electric** al zijn investeringen met behulp van zijn eigen middelen. Het bedrijf gebruikt de technologie maximaal in alle processen, van ontwerp tot verzending.

Horoz Electric ist es seit 2007 gelungen, eine der herausragenden Marken in der Lichtindustrie zu werden. Sie betrachtet die Qualität als unverzichtbaren Bestandteil in jeder Phase der Produktion. Alle Artikel werden in Übereinstimmung mit den internationalen Standards produziert und haben alle Zertifikate von **EU-CE, EAC, LVD, EMC bis ROHS**. Mit den Ideen, sich immer wieder im Einklang mit den sich ändernden Weltstandards und Markt- werten zu erneuern und an die Spitze zu gelangen, setzt **Horoz Electric** alle seine Investitionen mit eigenen Ressourcen um. Das Unternehmen nutzt die Technologie in allen Prozessen vom Entwurf bis zum Versand.

	Meets all the requirements of the European Union directives
	Meets all the requirements of the Customs Union of Russia, Kazakhstan, Belarus
	Compliance with the state standards of Ukraine
	Meets all the requirements of the state standards of Morocco
	Compliance with Directive on the restriction of the use of certain hazardous substances in electrical and electronic equipment
	The product is capable of being recycled
	Waste electrical items can be recycled through a number of channels
	Type of cap and the corresponding casing
	Product contains an ON/OFF switch
	Type of Light Emitting Diode

Degree of protection against external influences	
	Protection against solids bigger than 12mm & No protection against moisture
	Protection against solids bigger than 1mm & No protection against moisture
	Protection against solids bigger than 1mm & Protection against water splashes
	Dust resistance & Protection against water splashes
	Dust-proofing & Protection against water streams
	Dust proofing & Protection against temporary immersion
	Dust-proofing & Protection against deep immersion
	Safety is guaranteed through connection of all active conducting elements with a protective conductor or directly with the grounding
	Safety is guaranteed through the application of double or reinforced isolation
	Safety is guaranteed through decreasing of the supply voltage to the value which is safe
	The product is suitable for installation on surfaces with normal flammability
